

All She Wants to Talk About is God

Words and Melody by Shawn Thornburg

First set:

Wally:

All she wants to talk about is God.
That's all she talks about,
Even though she's human and she's flawed,
That's all she ever spouts.
(Doowap underneath following verses)

Gerry:

All she thinks about is do we know
Her savior Jesus Christ?
All she ever wants to do is show
How Jesus paid the price.
(Doowap underneath following verses)

Rube:

God, God, God, God, God
Has really set her free.
Change, change, change, change, change
Is coming over me.
(Exit shop and join Archie and Bo)

Hope, hope, hope, hope, hope,

That's all that Jesus gave.
