

### **Archie and Bo**

- 1:** Bo deals cards. Play cards for about 15 seconds.
- 2:** Archie asks question. Bo pulls out Bible and shows him scripture. Archie puts finger on mouth in contemplation.
- 3:** Archie tells joke. They laugh heartily, then Archie asks another question about the scripture Bo just showed him. Archie crosses arms.
- 4:** Archie asks what they do now, and Bo suggests they pray, then shows Archie how. They put their heads down in prayer.

### **Wally and family**

- 1:** Son begs to open present. Wife says to ask Wally. Son taps Wally, waking him from his nap, and asks to open present. Wally says son can only open one present. Son opens present, then holds it up, rejoicing. Wally falls back asleep.
- 2:** Son sets present down on couch and picks another one to open. Wife says no more presents and attempts to wrestle present away from son.
- 3:** Son lets go of present and bumps into Wally's leg, waking him. Wally gives sharp reprimand. Son faces audience and pouts. Wife replaces second present, then gestures for Wally to help control their son. Wally throws his arms up in futility and continues to nap, and wife sits on couch and pouts.
- 4:** Son sees that parents aren't paying attention, so grabs the previous present and immediately opens it. Wife kicks Wally and points to son. Wally gets up to take the present away, but son slips by him and leaves the wrapping paper. Wally grabs wrapping paper, throws it into the air, and stomps out. Wife grabs son and holds him down on couch.

### **Gerry and wife**

- 1:** Gerry attempts to use the remote control, but acts like it won't respond. Gerry looks at remote and tries again. Wife takes remote and tries several different ways, then checks battery compartment. Wife gestures that the batteries are dead and hands the remote back to Gerry.
- 2:** Gerry gets up, walks over to TV, and changes the channel manually. Gerry sits back down, but wife points to the TV to tell Gerry to change it again. Gerry changes the channel manually again and tries to sit down, but wife stops him from sitting. Wife grabs the remote, opens the battery compartment, and motions for Gerry to get new batteries.
- 3:** Gerry walks to dresser and looks around, but can't find batteries. Gerry throws his hands up to say he doesn't know, then wife points to back room. Gerry walks to back room to check, but still can't find any. Gerry walks back out, walks to TV, and changes channel. When he turns around, wife has car keys out. Gerry motions that it's cold outside by shivering, but wife holds keys higher. Gerry grabs the keys and exits stage left.
- 4:** Gerry enters stage left, acting like he's freezing cold. He hands keys and batteries to wife, who then puts new batteries in the remote and successfully changes the channel. Happy, she throws her arms around Gerry, but immediately recoils because he's so cold.

### **Rube and kids**

- 1:** Rube and kids play racing video game for about 10 seconds. One kid wins by cheating and starts to rejoice. Other kid pouts. Rube continues racing because he's so far behind.
- 2:** Rube is still racing, but kids are now bored. One whispers to the other, and they exit stage right to grab pool noodles from storage. They start running around with the pool noodles, eventually sword fighting over Rube's head.
- 3:** Rube puts his hands out to stop the kids from running around him, then suggests they play with snowballs in the snow. Kids respond that it's too cold. Rube shrugs and points back to video games, asking to continue playing. Kids look at each other, then at noodles, then at Rube, then nod at each other and start hitting Rube with the noodles. Rube hunkers down in chair, covering his head.
- 4:** Rube reaches up and grabs both noodles, then starts hitting the kids with them. The kids run around trying to get away from Rube, then eventually exit stage left. Rube shakes noodles in the air, triumphant, and chases the kids.
